To qualify for the discounted rates, forms must be in the school office by 8:00 AM on the second to the last scheduled school day prior to the week of service requested. Most weeks, this will be a Thursday morning. All forms turned in after the deadline will be billed out at the full rate.

Forms may be dropped off in the school office, given to the PM Care Giver any evening before the deadline, faxed to the school (1-630-961-3771) or emailed to dthomson@ascacademy.org. The school assumes no responsibility for electronic forms not received by the deadline. The proper form must be used with your registration and can be found on the school website under Facts and Forms.

All pre-arranged & drop-in services will be billed through FACTS.

Drop in AM fees will be billed at \$6.00/day and PM fees at \$20.00/day of service.

There are no credits or refunds issued for unused pre-arranged service. If there is a chance your child may not use the service on a particular day, your better option is to use the drop in service.
