

The Crystal Gala

Luminary Fundraiser

Luminaries in the Roman Catholic Church were created to help guide the spirit of the Christ child into people's homes during the Christmas season. Often, they are lit in remembrance of someone in prayer. Our students have each created a beautiful luminary. These luminaries will receive a special blessing during the Gala. Please consider donating to receive your child's uniquely created and blessed luminary. Donations will be accepted any time up until the completion of the Gala.

**YES! I would like to donate NOW for my child's
luminary!**
