### INTRODUCTION

I am very excited to continue supporting All Saints Catholic Academy as a member of the School Board. I have two children and have been involved with the marketing committee, new family welcome committee and DDA over my years at All Saints.

### WHY I'M ON THE BOARD

I support the ideals behind Catholic education and I believe that All Saints has brought this to the forefront. In addition, the children are our future and we want to send them out into the world as the best person they can be and I believe this is accomplished through the faith-based education system. As a school board member I hope to be able to lead our school and build upon our Catholic identity with partnerships from our parishes.

### WHEN I'M NOT AT ALL SAINTS YOU'LL FIND ME...

At the hospital supporting our frontline workers, watching my kids enjoy their sports and activities or outdoors enjoying all of the activities one can do.
