INTRODUCTION

Our family joined the ASCA community in 2021 when our son Liam, now in 7th grade, started at ASCA. We love ASCA's commitment to educating the whole person - mind, body, and soul - and preparing our children to do good in the world.

In addition to Liam, we have two older daughters, both graduates of Benet Academy, now living in Boston.

WHY I'M ON THE BOARD

A big part of what makes ASCA special is the community of volunteer parents and family members who invest a small amount of time to make the school a great place of learning and friendship for our kids. Being on the Board seemed like one small way to join that community of volunteers.

WHEN I'M NOT AT ALL SAINTS YOU'LL FIND ME...

... in the stands at our son's sporting events, enjoying time with family, or running (slowly) through Naperville.
