

## Martin Luther King Day of Service Form

Each year on Martin Luther King (MLK) Day, ASCA students, staff and their families honor Dr. King's life and legacy through various acts of service. Each student is asked to perform an act of service. You may participate in one of our school-sponsored service projects (Feed My Starving Children, Card-Making for St. Elizabeth Seton's Card Ministry) or select and act of service of your own.
