Online School Directory – Directory Spot

DirectorySpot is ASCA's online school directory and a great resource to help families connect with each other (for example, to set up play dates and social events, to invite classmates to birthday parties, etc.). The school cannot include or release personal information without family consent. Please note that the only users with access to DirectorySpot are current school families, faculty and staff.

For Returning DirectorySpot Users:

If you used DirectorySpot last year, there's no need to take any additional steps. Simply log in using the same username and password you previously used, and you'll have access to the updated data. To enjoy the new features, please ensure you have the latest version of DirectorySpot by checking your app store for any available updates.

New DirectorySpot Users:

If you are a NEW user, you have been set up and can download DirectorySpot from the App Store (iPhone users) or Google Play (Android users), or you can also access the data from the web.

For Smartphone Users:

1. Download the DirectorySpot app by going to your app store and searching "DirectorySpot" or by clicking on the appropriate link here: iPhone - <http://goo.gl/5U2Tzq> or Android - <http://goo.gl/iBK9lY>
2. To launch DirectorySpot, enter your email address as your Username, and click on "Reset Password."
3. Click on the link in your email to set your password, relaunch the DirectorySpot app, and log in with your username and password.

For Tablet, Mac, or PC Users:

1. Go to directoryspot.net and click on "Login" in the upper right-hand corner.
2. Enter your email address as your Username, and click on "Reset Password." An email will be sent to you with a link to set your password.
3. Click on the link in your email to set your password and login.

Note – if downloading to an iPad, just search for "iPhone apps" and you will find DirectorySpot. Make sure to check out all the features, such as the auto dial when you click on a phone number, or the auto launching of maps when you click on an address. If you hold down the cell phone number, you will get an option to send a text or call the number (iPhone only). DirectorySpot will even create an email if you click on someone's email address.

If you would like to make a change to your family's entry or are having a problem accessing the directory, please contact Patty Bajek at pbajek@ascacademy.org.

Lost and Found

Don't forget to check out the Lost and Found at Door 1 for items that have gone missing once the school year starts. It doesn't take long for the table to fill.

Pro tip: Labeling items with **your student's name** helps us to return the lost/misplaced item.
