

Junior High Math Club

2018 – 2019 School Year

Do you enjoy puzzles and figuring out challenging problems?

The All Saints Math Club offers an enrichment opportunity that encourages students to explore challenging problems.

The Club also provides an opportunity to compete in premier math competitions, where the team has enjoyed great success.

Our first session will be on Sunday evening, October 14th, from 5:30 – 7pm at the St Margaret Mary parish center, lower level

Pizza provided!
