## Competitive Chess Club

Come be a part of our first ASCA Competitive Chess Club!

Anyone wishing to increase their knowledge in chess and looking to compete as a team at a USCF rated tournament should come Tuesdays after school for chess club in room 180.

We will play games and do peer reviews. Work on chess notation for those who want to learn. Work on chess puzzles to increase our knowledge of tactics and strategy. Learn about tournament play. Most importantly of all, we will work together to become stronger chess players and function as a team.
