LEGO LEAGUE CHALLENGE

Friendly competition is at the heart of Challenge, as teams of students ages 9-16* engage in research, problem-solving, coding, and engineering - building and programming a LEGO robot that navigates the missions of a robot game.

We are beginning our first Lego Robotics club with the intent of competing in the First Lego League Challenge later this school year!

- It is open to students in Grades 4-8.

- Meetings will be held on Thursdays from 3:45 to 4:45 in McSherry Hall.

- Cost: $100/per student

- All forms must be returned to Ms. Amy Banach 1 week prior to session

- 10 min participants

Registration will be through Miss Banach ONLY.

Please email her at abanach@ascacademy.org for registration forms and payment information.
