*The joy of giving and the tax benefit for the donor are immediate!*

*The spiritual benefit to the donor is forever!*

*The educational and spiritual benefits to the students receiving aid will last for their lifetimes and beyond.!*

## ***“All Are Welcome!” Scholarships***

***Matthew 19:14 : but Jesus said,  
“Let the little children come to me,  
and do not stop them; for it is  
to such as these that  
the kingdom of heaven belongs.”***

All Saints Catholic Academy opened our doors in August 2005, founded with the generous sponsorship of St. Elizabeth Seton, St. Margaret Mary, and St. Thomas the Apostle Parishes as well as the Diocese of Joliet.

From our beginning, All Saints has been committed to welcoming and educating a student body that is ethnically and economically diverse, to welcoming children from our sponsoring and supporting parishes even when they face financial obstacles, and to accommodating students who face physical, mental and emotional challenges.

Complete financial data is provided yearly by each applying scholarship family and thoroughly evaluated in compliance with diocesan guidelines and procedures.

Scholarship donations play a crucial part in All Saints being able to continually fulfill each of these long-standing commitments.

*“All Are Welcome!”*

### **Our Scholarship Programs**

Through the generosity of family foundations, our supporting parishes, diocesan awards, the Knights of Columbus, and many individual donors, All Saints has been able to provide scholarship funds for 20% or more of its student population every year.

With this broad-based support, we have consistently met our commitment to ethnic and economic diversity in our student body, to families from our supporting parishes, and to families of children with special needs.

Some of our donors simply direct the application of their funds to our **General Scholarship Fund**, while others prefer to designate one of three specifically targeted scholarship funds.

### *“Change A Life Scholarship Fund”*

**Change A Life Scholarship Fund** is a charitable educational initiative established on this widely accepted belief: *The life trajectory of a young child who faces economic and social disadvantages can best be improved by access to high-quality education at an early age.*

Scholarship students and their families are encouraged to become involved in a broad range of school activities. They have repeatedly shown us that our entire All Saints school community — students and parents as well as educators—benefits greatly from the cultural and spiritual enrichment which our **Change A Life Scholarship** participants bring to us through their daily involvement in the school.

Building on our ten years of success in attracting and educating students from diverse ethnic and economic backgrounds, in 2014 All Saints began a special relationship with St. Nicholas Parish in nearby Aurora, a “partner parish” of St. Thomas the Apostle Parish. This relationship will help ensure that we are well positioned to attract deserving Latino students from highly committed, supportive families in this vibrant Catholic community.

### *“Faith in Their Future Scholarship Fund”*

Catholic parishes in and around Naperville have provided remarkable support for our school since long before our doors opened, and All Saints is ever grateful for all that they and their parishioners have done.

In these local parishes, there are very deserving, hard-working middle-income families who, for a variety of short-term or longer-term reasons, simply cannot afford the full tuition which All Saints charges.

The **Faith in Their Future Scholarship Fund** provides measured financial support to enable these local parish families to commit to a faith-filled All Saints education for their children.

### *“Betsy Stiff Memorial Fund”*

Betsy Stiff was the school nurse at All Saints from our opening in 2005 until 2010 when we lost her to an early and untimely death. Betsy was dearly beloved by all our students and staff, and she watched over us all with great competence, diligence and affection.

The **Betsy Stiff Memorial Fund**, named in her honor, provides funding to benefit students who face mental or physical challenges. The fund can provide full or partial scholarships, or assist with the cost of an aide or program material, as deemed necessary by the principal.
